## SUMMARY

---

As a soon-to-be graduate with a Bachelor's degree in Information Technology, I have developed a robust foundation in Python and Java programming, specializing in Data Structures and Algorithms within the Java environment. I am skilled in web development technologies, including HTML, CSS, and JavaScript. My work includes creating both static and dynamic websites. I am now eager to leverage my skills by exploring emerging technologies, particularly in IOT and Big Data analysis. Additionally, my active contributions in cloud computing including deployment and training the various models.

## EDUCATION

---

### CHANDIGARH UNIVERSITY

Bachelor of Engineering  
Major in Computer Science;  
Cumulative GPA: 7.93(Current)

Mohali, Punjab  
Expected June 2025

### ARVIND GUPTA D.A.V CENTENARY PUBLIC SCHOOL

Intermediate (CBSE): Percentage- 84.8

New Delhi,  
Mar 2020 - Jul 2021
